Robert D. Laurino
Acting Essex County Prosecutor

“There is probably no better deed that we can do in life than to help those truly in need, and we have the opportunity to do that each and every day by helping those who were victimized by crime through no fault of their own. At the Essex County Prosecutor’s Office we are offering compassionate care to those victimized, while protecting our fellow citizens by effectively detecting and prosecuting those responsible for these criminal acts. This is the reason why I am so proud to a member of this Office - standing beside the men and women who do this noble work - and so honored to have had the opportunity to lead it during the course of this past year.”

Acting Essex County Prosecutor Robert D. Laurino
